HONOR AN AMAZING EDUCATOR TODAY

Recipients of the award receive the following:

A certificate signed by the President of the United States

Recognition events and professional development opportunities in DC

A \$10,000 award from the National Science Foundation

An opportunity to build lasting partnerships with colleagues across the nation.

Who is eligible

This year's awards will honor STEM teachers working in grades K-6.

Nominations close on March 1, 2020.

The Award

The PAEMST are the highest honors bestowed by the US government specifically for K-12 STEM teaching.

The Awardees

The award recognizes those with deep content knowledge and the ability to motivate and enable students to be successful.

Nominate Today!

All full-time, K-6 teachers of science, technology, engineering, mathematics, and/or computer science in a public (including charter) or private school with at least five years of experience are eligible to apply.
